DEPOSIT AND SERVICE REPORT

To enable us to compute and pay the benefit to the employee listed above, complete and return this report at the earliest date possible after you can accurately determine the total earnings and deposits for the fiscal year. The certification should be executed then, even though final salary may be paid at a later date. Early completion will speed both the processing of the application and the issuance of the first monthly benefit check.

For the STRS Ohio fiscal beginning July 1, 2023 and ending June 30, 2024
